

Jane Davies Evans

Email Address: jde@3vb.com

Year Of Call: **2001**

A dual-qualified barrister and Chartered Accountant, Jane is ranked for energy disputes, construction and international arbitration (*Legal 500* and *Chambers & Partners*) and recognised in *Who's Who Legal: Construction* as a Thought Leader. Jane acts as lead or co-counsel in international arbitrations and dispute boards, and counsel in arbitration related litigation. Jane's practice focuses on disputes arising in the energy, natural resources and infrastructure sectors in Africa, Asia Pacific, the Middle East, the Russian Federation and CIS and Latin America, with particular expertise in arbitrations concerning complex major and mega projects.

Legal 500

'Devastatingly good for complex cases'

'The most competent construction advocate; very experienced in international disputes.'

'Absolutely first rate.'

'A brilliant litigator, both in preparation and examining experts in complex cases.'

'Relentless in her efforts for her clients.'

'A superb lawyer and an excellent litigator'

'She marries vast legal knowledge with an in-depth understanding of each case'

'Her excellent knowledge of the law and the sector inspires confidence' Shortlisted: Construction and Energy Junior of the Year 2018 Tier 1: Construction (Asia-Pacific)

Tier 1: UAE

Chambers & Partners

'A sophisticated advocate'

"Her eloquence and grasp of the technical and financial elements of complex cases is remarkable."

"She has a superb amount of knowledge in the field."

‘Very good in cross-examination. She has a lovely demeanour and handles difficult issues with aplomb’ ‘She’s hard-working and has got a deep knowledge of construction law in particular.’

‘She dealt with a complicated case in a very efficient and economical way.’ “‘She has great industry experience”.’ ‘She is incredibly hard-working and great with clients.’

Jane returned to the Bar in 2014, having spent many years working for two of the world’s leading law firms, Shearman & Sterling LLP and, Freshfields Bruckhaus Deringer LLP, where she was counsel in the international arbitration practice. Jane is a Fellow of the Institute of Chartered Accountants in England & Wales and is particularly skilled in addressing complex financial issues. Jane was managing editor of the IBA journal Construction Law International from 2016 to 2018, and is vice co-chair of the IBA International Construction Projects DR subcommittee. Jane is Vice-Chair of the 3VB International Advisory and Dispute Resolution Unit, and a member of the steering committee for the Equal Representation in Arbitration Pledge.

Arbitrator/Dispute Board Experience

Jane also accepts appointments as an arbitrator and dispute board member.

- Sole arbitrator appointments include: sole arbitrator in international arbitrations concerning the supply of drilling equipment (SAC), supply of a bioethanol plant in Nigeria (LCIA), supply of seeds (ICC), a hotel development in Rwanda (DIFC-LCIA), supply of steel to North Africa (ICC; expedited), Cloud services (LCIA).
- Co-arbitrator appointments include: co-arbitrator in an arbitration concerning a petrochemical facility in Asia (ICC), co-arbitrator in an arbitration concerning oil and gas services in Kuwait (LCIA), co-arbitrator in a construction dispute (LCIA-DIFC).
- Presiding arbitrator appointments include: president in an arbitration concerning an international loan agreement (ICC) and president in an arbitration concerning disputed mechanical and electrical works at an international airport (LCIA).

Jane is a panel arbitrator for the SIAC (Reserve panel), the Beijing International Arbitration Centre and the Asia International Arbitration Centre and a member of the Society of Construction Arbitrators, and the African Arbitration Centre. She was the first appointee of the Scottish Arbitration Centre.

Expertise

International Experience

Please see the attached map [here](#). Red indicates geographies where Jane has relevant experience.

Energy

Oil & Gas

Jane is regularly instructed in relation to oil and gas projects, both as counsel and arbitrator in international arbitrations, and to provide advice and assistance in the drafting and negotiation of project documentation. Example experience in this sector includes:

Arbitrator Appointments

- Appointed as sole arbitrator in an arbitration concerning the supply of drilling equipment in Europe.
- Sole arbitrator in an LCIA arbitration concerning the development of a bioethanol plant in Nigeria.
- Co-arbitrator in a Singaporean seated ICC arbitration concerning the development of a petrochemical facility in Vietnam.
- Co-arbitrator in a London seated LCIA arbitration concerning oil and gas services in Kuwait.

Counsel Appointments - Disputes

- Instructed in an LCIA arbitration concerning a multi-billion dispute concerning development rights for oil and gas fields in northern Iraq.
- Instructed in an UNCITRAL arbitration concerning a CIS PSA in relation to cost recovery disputes and arbitration (Stockholm seat).
- Instructed as counsel for oil major in a potential arbitration concerning unpaid fees under a technical services contract in Iraq.
- Advising oil major re: potential dispute with Operator in the Middle East.
- Instructed as counsel for a national oil company in an LCIA arbitration (London seat) concerning contractor claims following the upgrade of a significant gas facility in the UAE.
- Instructed as counsel by an international contractor regarding two potential ICC arbitrations concerning the supply of FEED for ammonia plants in India.
- Instructed as counsel by an international contractor concerning a potential arbitration and parallel litigation arising on termination of an MOU with a potential designer for a multibillion project in Kuwait.
- Advising in relation to potential dispute concerning payment under an Iraqi technical services contract.
- Advising in relation to issues arising under a Middle Eastern JOA.
- Advising a third party funder in relation to investment decisions concerning disputes under a PSA.
- Advising an international contractor in relation to the EPC contract and associated guarantees for the delivery of a refinery in Syria. Assisting in negotiations with various banks regarding calls on guarantees and facility agreements and advising as to the impact of sanctions.
- Providing a merits review of contractor claims, and assisting an oil major in negotiating a favourable settlement in relation to the EPC delivery of an LNG facility in Canada.
- Advising the owner re: a fire at an LNG facility in West Africa during final commissioning.
- Advising an international contractor in relation to claims arising on a tank farm project in Saudi Arabia.
- Advising an international contractor in relation to alleged defects on an international pipeline in the CIS.
- Advising an international contractor in relation to the potential call on an on-demand bank guarantee issued by the shipyard constructing a floating production facility.

Counsel Appointments - Advisory

- Being seconded to an oil major to provide assistance during and after a significant gas leak

from an off shore platform.

- Advising an international contractor as to the impact of Russian sanctions on its ability to participate in the €15 bn South Stream project.
- Advising an international contractor regarding the terms of an EPC contract and related guarantees re: the delivery of an oil and gas facility in Brunei.
- Advising a Middle Eastern national oil company on its contracting arrangements for an upcoming planned maintenance outage.
- Advising an international contractor regarding joint venture and consortium arrangements for use on EPC contracts in the Middle East and Asia.
- Assisting an international contractor in negotiating a contract for the supply of a derrick / pipe laying vessel with a Chinese shipyard, together with negotiation of guarantees with various banks in England and China.
- Advising a third party funder re: potential disputes in the CIS.
- Advising an international oil company in relation to a significant works programme in association with the hand back of a transnational pipeline to the national oil company in the CIS.
- Advising an international oil company in relation to the sale of an off shore gas field in the Far East.
- Advising contractors in relation to the development of the KUPE gas field, New Zealand.

Power Generation and Transmission

Example conventional power project mandates include:

Counsel Appointments – Disputes

- Instructed as counsel in an ICC arbitration concerning a terminated LNTP for a hydroelectric scheme in Africa.
- Instructed as co-counsel by a contractor in an ICC arbitration in relation to a terminated power plant project in Saudi Arabia.
- Instructed by a Brazilian power company, the purchaser of four coal-fired power plants in Brazil. Jane provided advice and assistance in relation to termination of the EPC contracts (Brazilian law), pre-ICC arbitration advice (potential claims in excess of US\$1 billion), calls on performance bonds (Portugal, Italy, Brazil and England), terms of settlement and implementing settlement arrangements.
- Instructed as counsel by a Chilean power company in four consolidated Spanish-language ICC arbitrations in relation to the supply of a coal-fired power station in Chile (claims in excess of US\$1 billion). In addition, Jane advised in relation to calls on performance bonds in multiple jurisdictions (Chile and Italy, in excess of US\$100 million collected), and assisted in the negotiation of a settlement with the contractors and parent company guarantors.
- Instructed as counsel for a section 68 challenge in the English High Court relating to ICC Awards concerning the termination of contracts to construct a power plant in Kabul, Afghanistan including appeal.
- Instructed as counsel in an ICC arbitration concerning a Jordanian wind farm project.
- Instructed as counsel by a UK based power company in an LCIA arbitration concerning the termination of an electricity and gas supply agreement for a UK power plant.

- Instructed as counsel by an international power plant supplier in Eastern Europe in an UNCITRAL arbitration in relation to the supply of a refurbished transformer to the local state power generator. Jane also advised in relation to the settlement of the dispute.
- Advising a contractor in relation to claims arising in relation to the redevelopment of the Huntley power station in New Zealand.
- Advising in relation to a dispute concerning a biomass plant in England.

Counsel Appointments - Advisory

- Advised an international power company in relation to the London Array offshore wind farm (175 turbines, project value approximately £1.8 billion).
- Providing in-house training to an international investment bank's project finance team in Paris (EPC contracting for different types of power generation project).
- Advising a contractor in relation to the development of a geothermal power plant in New Zealand.
- Advised a US Aid funded initiative on contracting strategy for transmission lines in East Africa (pro bono).

Nuclear new-build

Jane has significant experience of new-build nuclear projects. She is standing external counsel to a nuclear supplier for the new-build NPP, and has advised owners, tier 1 and tier 2 contractors in relation to the following projects:

- Olkiluoto NPP (Finland). Representing the plant supplier in international arbitration (ICC, Stockholm seat, Finnish law) and advising in relation to contract and claims management, dispute board proceedings etc.
- Visaginas NPP (Lithuania). Advising a construction company in relation to its participation as civil works designer / contractor and/or manager, and potential joint venture arrangements.
- Beznau and Mühleberg NPP replacement (Switzerland). Advising a Swiss power company, the prospective developer, in relation to the procurement of two NPP.
- Wylfa and Oldbury NPP (United Kingdom). Advising an international construction company in relation to its participation as civil works designer / contractor and/or manager and potential joint venture arrangements with European design companies.
- Hainau NPP (China). Advising the supplier of the I&C system, in relation to the supply contract.

Infrastructure

Jane is regularly instructed in relation to significant infrastructure projects, both as counsel in dispute boards and international arbitrations and providing advice and assisting with the drafting and negotiation of project documentation. Example experience includes:

International Arbitrations and Disputes

Arbitrator Appointments

- Sole arbitrator in DIFC-LCIA arbitration concerning a hotel development in Rwanda.
- Co-arbitrator in DIFC-LCIA arbitration concerning a development in the UAE

Counsel Appointments

- Advising in relation to a potential adjudication concerning development of a skyscraper in the City of London.
- Advising in relation to a potential ICC arbitration arising on a hospital project in West Africa.
- Instructed in a domestic Middle Eastern arbitration concerning a concession agreement for a rail facility.
- Instructed as counsel in an ICC arbitration concerning a significant infrastructure project in Qatar.
- Instructed as counsel in an international arbitration under the European Development Fund rules. The arbitration concerns the construction of a border post in West Africa.
- Instructed as lead counsel in three consolidated UNCITRAL arbitrations concerning the termination of public works contracts in Tanzania. Instructed directly by the executive agency.
- Advising a third party re: an investment treaty arbitration against a CIS State.
- Instructed as lead counsel in dispute board proceedings arising on public works projects in Tanzania (Millennium Challenge funded projects). Instructed by the relevant delivery authority.
- Instructed as counsel in an ICC arbitration concerning the termination of a highway project in Tanzania; advising the Attorney General and various government ministries and executive agencies in relation to enforcement.
- Instructed as counsel in an UNCITRAL arbitration concerning the termination of a highways project in East Africa.
- Instructed as counsel in an SCC arbitration concerning a roads project in East Africa.
- Representing an African national broadcasting company in an *ad hoc* arbitration concerning a purported contract for the provision of infrastructure and programming for digital TV. Claims c. US\$1.2 billion.
- Representing an international contractor in an ICC arbitration against a Middle Eastern government in relation to claims arising during the expansion and redevelopment of an international airport (Paris seat).
- Advising a third party funder in relation to investment decisions re: infrastructure disputes.
- Assisting in relation to an ICC arbitration concerning the construction of a water pipeline on Ascension Island.
- Representing the Ministry of Justice in litigation concerning the development of a new court building in New Zealand.
- Representing a contractor in litigation concerning the development of serviced apartments in Auckland.
- Representing a local authority in litigation concerning the development of a marina and associated facilities on the North Island, New Zealand.

Project Advice and Negotiations

- Negotiating the EPC contract and associated project documents on behalf of the Russian concessionaire for the award winning PPP project for the motorway toll road around the City

of St Petersburg, under a €2.2 billion EPC contract (English and Russian law).

- Advising various international contractors in relation to issues arising during the Arab Spring uprisings in Libya, including advice re: international sanctions, force majeure, performance bonds, letters of credit, claims under the construction contracts, renegotiating contracts with the current government.
- Advising funders in relation to the development of a medical school and hospital in Malaysia.
- Advising in relation to the development of a campus for the University of Central Asia, Kyrgyz Republic.
- Advising a Russian state owned investor in relation to the development of a rail bridge across the Russian-Chinese border.
- Advising the Russian concessionaire for the St Petersburg / Moscow high speed toll road.
- Advising the Russian developer in relation to the construction and consultancy agreements for the refurbishment of a luxury hotel in Moscow.
- Advising in relation to the development of facilities for the Rugby World Cup in New Zealand.

Mining and Other Natural Resources

Jane has advised in relation to a number of significant projects in the mining sector, together with other natural resource projects. Example projects include:

- Advising in relation to settlement of a dispute concerning latent defects discovered at a pulp mill in Chile.
- Advising the owner in relation to potential dispute arising on a pulp mill project in Brazil.
- Advising Baikal Mining in relation to contracting strategy and project documentation for the exploitation of the Udokan copper deposit in Siberia and assisting in negotiations with an international services provider.
- Advising the Russian owner in relation to the purchase of the world's largest HBI-3 plant for installation in the Russian Federation.
- Advising a mining major in relation to EPC aspects of a joint operating agreement for an extractives project in the Russian Federation.
- Advising in relation to the development of a gold mine in New Zealand.
- Advising in relation to disputes arising during the development of a nickel smelter in New Caledonia.
- Counsel in an LCIA arbitration in relation to processing equipment for the Israeli wine industry.

Pro Bono and Capacity Building

- Jane is committed to pro bono work both in the UK and overseas.
- Jane has assisted with capacity building programmes in Tanzania and Nigeria. Together with Sir William Blair and Sir Ross Cranston Jane has set up the International Advisory and Dispute Resolution Unit at 3 Verulam Buildings, headed by Ali Malek QC. The unit focuses on delivering legal services to developing States and corporates while ensuring the highest standards of social responsibility and social mobility.
- Jane is pro bono counsel in relation to a dispute between the local community and the RNLI concerning the downgrading of a lifeboat.

- Jane is a registered counsel with the Bar Pro Bono Unit. She was pro bono counsel for the charity defendant in *Rosenzweig v. NMC Recordings* [2014] PTSR 261, [2014] WTLR 1027, [2014] 1 P & CR DG 17, a leading decision as to who has an interest in a charity for the purposes of bringing charity proceedings.
- Jane is an alumni of Christ's Hospital School, and regularly assists the school with careers advice and mentoring to school children and students. Jane also participates in the social mobility 'Be a barrister for a day' programme run by 3 Verulam Buildings, giving under-privileged children access to experienced life at the commercial bar.
