## Dear Colleagues:

Join us in Memphis – the Home of the Blues and Birthplace of Rock 'n' Roll! Memphis is a first for the Forum, and we are excited about gathering at The Peabody – the South's Grand Hotel – in this historic city on the banks of the mighty Mississippi River.

In keeping with the Forum's mission of Building the Best Construction Lawyers, we are pleased to present *Building the Next Generation: Learning From The Past*. This program will enable attendees to learn from the past experiences and hard-earned wisdom of our presenters, who will cover a carefully curated array of topics of critical importance to construction lawyers of all experience levels, from seasoned practitioners to our next generation "rock stars." Attendees will experience –

- Hearing from Forum leaders about what they "wish they knew then and what they know now" about substantive law, procedure, and business development.
- Learning about industry experience with design-build project delivery and gaining insights about achieving positive outcomes for all members of the project team.
- Getting the low-down from successful trial lawyers about how emerging litigators can acquire meaningful trial experience.
- Studying a recent high-profile structural failure and its ramifications for insurance law, contracting practice, and project management.
- Gaining key insights from experts on climate change about its potential impact on the construction industry and learning how to help clients get ready to meet these new challenges.
- Surveying key ethical issues and opinions that all construction lawyers need to understand.

A Forum meeting wouldn't be a Forum meeting without special opportunities to enjoy the company of friends and explore all that the conference city has to offer, including –

- The legendary March of The Peabody Ducks through the hotel lobby, led by the Forum's very own Honorary Duckmaster.
- A rooftop reception at The Peabody Hotel, followed by an intimate evening with some of Nashville's best and most prolific songwriters, telling the stories behind their hits and performing them as originally written.
- Forum-sponsored opportunities for attendees to tour the National Civil Rights Museum or Graceland, the home of Elvis Presley.
- Experiences unique to Memphis to explore on your own, including the Memphis Rock 'n' Soul Museum, the Memphis Music Hall of Fame, and the Blues Hall of Fame.
- The Mempho Music Festival featuring the Black Keys, Jason Isbell, Wilco, and Widespread Panic at the wonderful Memphis Botanic Garden on September 30 through October 2. See [www.MemphoFest.com](http://www.MemphoFest.com) for details and tickets. (Not a Forum-sponsored event.)

Lose the blues and make plans to join us in Memphis, Tennessee for the Forum's Fall Conference!
