

Directions to Priest River Experimental Forest

From Spokane, take Highway 2 north to Priest River. From Coeur d'Alene, take Highway 41 north to Priest River. At the stop light in Priest River, turn north on Highway 57, and drive for approximately 3.3 miles. Then, turn right on Peninsula Road—a Bonner County road, to reach PREF. The first five miles of road is paved surface, with the remainder a graveled surface, and the road becomes what is called the Eastside Road.

The entrance to PREF will be on the right (east) side of the road and is well-marked. The entrance is approximately 10 miles north of the junction with Highway 57. Travel time from Priest River takes about 25-30 minutes.
