## Why brokers and their clients choose Allianz for Aviation

Standard & Poor's  
**AA**  
 A.M. Best  
**A+**

- Expert Aviation underwriters** – The majority of our underwriters are experienced aviators and UAS operators who are passionate about unmanned aviation.
- A hundred year history in Aviation** – Allianz has a proven track record of reliability, security and service.
- Broadest Aviation appetite of any major insurer** – We write a wide range of UAV/UAS risks, from the world's largest UAS manufacturers, test sites and major universities to small commercial operations and purchasers of UAS service.
- Local knowledge, global reach** – Allianz's global network insures UAS risks on seven continents and provides access to professionals who know the local culture, language and regulations in over 160 countries.
- Specialized claims support** – Claims are handled by adjustors and surveyors with years of hands-on aviation experience.
- Market leading capacity** – Allianz has the capacity and financial strength to handle the largest risks.
- Long-term relationships** – Dedicated client teams are committed to superior service, transparency and flexibility.
