RE: Logging Accident

Today at 10:24, Latah County Sheriff's Office, U.S. Forest Service Law Enforcement, Deary Ambulance, and the Deary Quick Response Unit responded to the Feather Creek area near north of Bovill for a reported logging accident. Although MedStar was launched, it was ordered to stand down when units at the scene reported the victim had passed away. Latah County and U.S. Forest Service law enforcement officers are still investigating the cause of the accidental death of the 44 year-old St. Maries man. Benewah County authorities are attempting to locate and notify family members. No further information is available at this time.
