## Intolerista Island

Intolerista Island, a State all to themselves!

A Poem for the Intoleristas 

Roses are red,  
Violets are blue,  
Tom promised us video,  
Now he is afraid to show it to you.

He promised us photos  
Of the mighty protest –  
Perhaps even the flyers given to our guests.

The march was a bust!  
The flyers were crass.  
Tom will not post,  
He hopes the memory won't last.

Intolerista flyers out handed out at the Mall, Showed all who got one, How the Intoleristas are small.  
They reeked of envy, malice and hate.  
Tom won't post them.  
He knows their statements are fake.

Trinity Fest is here and we're having fun.  
Intoleristas can't see the path that they run.  
They snarl. They lie.  
They want you to hate.  
To think that Christians must fit,  
In the box that they make.

Roses are red,  
Violets are blue,  
So Tom,  
It's all up to you.

Let the world see the hate you spread.  
Post up or shut up.
