I, DOUGLAS WILSON, do hereby make the following written statement voluntarily to

Officer Lindquist, of the Moscow Police Department.
Officers Name

My name is Douglas Wilson. I am the minister at Christ Church here in Moscow. Over the last three years or so there has been a small group of people harassing our ministries by means of various legal complaints - tax exemption issues zoning, boarding, etc.

In the last few weeks, it appears that this pattern has gotten more personal & is getting closer to home.

1. On June 26 I discovered a used (or doctored to look used) condom in my mail box

2. Over the last two weeks we have had a rash of flat tires at our house (4 on 4 vehicles).

My son-in-law found a screw in the tread of his & I just came from his Schwab where they repaired the damage from a nail and a screw & it went into my left rear tire

3. This morning I had to change our living room

foul looking substance at it, creating a

in other settings, I have no evidence to
say that the following people are responsible.
But these are some of the foremost people
involved in displaying public animosity

1. Jackie Wolf a.k.a J. Ford on Vision 20/20
2. Charlie Nolan / multiple aliases on Vision 20/20
3. Michael Metzler - www.pooksthink.com
4. Tom Hanson
