Help Idaho's roads & bridges today!

Right now, Idaho roads are **underfunded** at an estimated **\$262 million dollars** annually. Because of this, roads and bridges are desperately in need of **repairs for safety.**

According to the **Idaho Transportation Department**, over **1,400 bridges in Idaho** are more than 50 years old; and according to another study from the **Local Highway Technical Assistance Council**, **1 of every 4 miles** of roads are deemed "**poor.**"
