

A Visioning Workshop

3rd Street Bridge Crossing

Invitation

You are cordially invited to a Community Design Workshop to explore ideas for a crossing at 3rd and Paradise. It will be conducted by Professors and students from WSU and the University of Idaho and sponsored by Citizens for a Livable Community, Inc., a non-profit Moscow organization dedicated to creative community solutions for Moscow issues.

TOGETHER with faculty, students, invited city officials, and citizens from ALL of Moscow, we will explore ideas for a crossing at 3rd Street and Paradise Creek. The first hour will be devoted to collecting ideas, concerns and aspirations. Next we will divide into small groups for a two hour session generating visual narratives and envisioning a future for the site. We will conclude with a sharing of brief reports from the groups.
