LegalZoom is not a law firm, and the employees of LegalZoom are not acting as your attorney. LegalZoom's legal document service is not a substitute for the advice of an attorney.

LegalZoom cannot provide legal advice and can only provide self-help services at your specific direction.

LegalZoom is not permitted to engage in the practice of law. LegalZoom is prohibited from providing any kind of advice, explanation, opinion, or recommendation to a consumer about possible legal rights, remedies, defenses, options, selection of forms or strategies.

This site is not intended to create an attorney-client relationship, and by using LegalZoom, no attorney-client relationship will be created with LegalZoom. Instead, you are representing yourself in any legal matter you undertake through LegalZoom's legal document service. Accordingly, while **communications between you and LegalZoom** are protected by our [Privacy Policy](#), they **are not protected by the attorney-client privilege** or work product doctrine.

LegalZoom provides an online legal portal to give visitors a general understanding of the law, as well as to provide an automated software solution to individuals who choose to prepare their own legal documents. To that extent, the site publishes general information on legal issues commonly encountered.

LegalZoom's document service also includes a review of your answers for completeness, spelling and grammar, as well as internal consistency of names, addresses and the like. **At no time do we review your answers for legal sufficiency, draw legal conclusions, provide legal advice or apply the law to the facts of your particular situation.** LegalZoom and its services are not a substitute for the advice of an attorney.

Although LegalZoom takes every reasonable effort to ensure that the information on our website and documents are up-to-date and legally sufficient, **the legal information on this site is not legal advice and is not guaranteed to be correct, complete or up-to-date.** Because the law changes rapidly, is different from jurisdiction to jurisdiction, and is also subject to varying interpretations by different courts and certain government and administrative bodies, LegalZoom cannot guarantee that all the information on the site is completely current. The law is a personal matter, and no general information or legal tool like the kind LegalZoom provides can fit every circumstance.

Therefore, **if you need legal advice for your specific problem, or if your specific problem is too complex to be addressed by our tools, you should consult a licensed attorney** in your area. Visitors to our site may obtain information regarding free or low cost representation through your state bar association or local legal aid office.

LegalZoom is not responsible for any loss, injury, claim, liability, or damage related to your use of this site or any site linked to this site, whether from errors or omissions in the content of our site or any other linked sites, from the site being down or from any other use of the site. **In short, your use of the site is at your own risk.**
