

Dimension Law Group is a boutique law firm located in Tukwila, WA. We exclusively practice in the areas of residential and commercial landlord/tenant law, transactional real estate, business law, probate, and estate planning.

We are looking to add a full-time *hybrid associate attorney* to our close-knit team environment. This position will require coming to the office approximately once or twice per week for signing appointments, while most work can be done remotely. Our current team includes 6 attorneys, three paralegals, two legal assistants, and a receptionist.

For this position you will work with individuals, families, and small businesses owners to help them navigate their estate planning and create a plan that will protect their legacy and help their families prosper. You will also assist clients with administering probate estates and trusts after someone has passed away.

QUALIFICATIONS

The right fit applicant would have the following qualifications:

1. Applicants must be a WA licensed attorney.
2. 1 year plus experience in estate planning and probate law is preferred.
3. Experience with Wealth Counsel is a plus.
4. Has at least a basic knowledge of estate planning, probate and trust administration, as well as tax considerations in these areas.
5. Someone who is adaptable, a fast learner, has a positive attitude, is deadline oriented, and thrives in a fast-paced environment.
6. Has excellent legal research and writing skills, possesses good organizational and case management skills, the ability to handle a case independently from start to closure, and confidence in speaking to clients, the court, and occasionally presenting to the public in a teaching capacity.
7. Computer and technology proficient and experience with virtual court hearings and team meetings.
8. Likes to have fun and likes a team environment.

WHAT WE OFFER

We offer a positive fun work environment where you will enjoy the people and type of work, your own caseload, autonomy, a flexible work schedule, and knowledgeable attorneys and support staff. We value integrity, knowledge, dedication, and compassion. We cherish our people, relationships, and work-life harmony. We also value a strong sense of diversity and inclusion in the legal field.

COMPENSATION

Our compensation structure is competitive with other law firms in the area. The specific compensation package will depend on experience, skills, and knowledge base. We offer a benefits package that includes malpractice insurance, annual license fees, continuing legal education, paid time off, paid holidays, including one week paid between Christmas and New Years, and a firm-matching retirement plan.

Base salary ranges from \$75,000-\$110,000.00, DOE, plus bonus structure.
