MEMORANDUM FOR FINANCIAL SERVICES SECTOR

FROM: Secretary Steven T. Mnuchin *Steven T. Mnuchin*

SUBJECT: Financial Services Sector Essential Critical Infrastructure Workers

The financial services sector is identified as Critical Infrastructure Sector by the Department of Homeland Security (DHS). The attached DHS guidance, dated, March 19, 2020, identifies the essential critical infrastructure workers during the COVID-19 response emergency, and provides guidance to State and local officials as they work to protect their communities while ensuring continuity of critical functions to public health and safety, as well as economic and national security.

Consistent with the President's guidelines, "*if you work in a critical infrastructure sector, as defined by the Department of Homeland Security, you have a special responsibility to maintain your normal work schedule.*" The Essential Critical Infrastructure Workforce for the financial services sector includes workers who are needed to process and maintain systems for processing financial transactions and services, such as payment, clearing and settlement services, wholesale funding, insurance services, and capital markets activities; to provide consumer access to banking and lending services, including ATMs, movement of currency (e.g. armored cash carriers); support financial operations, such as those staffing data and security operations centers; and, key third party providers who deliver core services. These individuals are critical to maintaining safe and efficient financial services and ensuring citizens have access to these services that are necessary to conduct their daily lives.

Companies aligned to the essential critical infrastructure worker definition are expected to maintain their operations and work schedules. Everyone should follow guidance from the Centers for Disease Control and Prevention as well as State and local officials regarding strategies to limit disease spread. We are dedicated to working closely with all of you to ensure the safety of the workforce and ensure the continued operations of the financial services sector in support of our Nation's economy.
